For the calculation of the Letter of Guarantee / Cash Security Deposit, a formula based on the available seats offered per airport by the airline for the highest traffic month within the respective period based on the submitted airline's schedule is used.

Fraport Greece reserves the right to increase the amount of the Letter of Guarantee / Cash Security Deposit, based on the previous years' payment behavior / credit history.

When operations are considerably reduced or non-existent during the winter period, the amount of the Letter of Guarantee / Cash Security Deposit may be adjusted for a limited period, if requested by the Client and confirmed by the Airport Operator.

In the event that the amount of guarantee, held in the form of a Letter of Guarantee or Cash Security Deposit, is surpassed, the Airport Operator reserves the right, amongst others, to request additional guarantee from the Client as per the terms provided herein.

In case the Client fails to comply with the credit terms stated herein, the Airport Operator reserves the right to enforce any and/or all its rights to collect payment such as call of the Letter of Guarantee, set off of the cash security deposit, implement pay prior to departure, implement default interest and/or request the grounding of the aircraft.
