

Date: 29 January 2019

Decision relating to the determination of Charges in relation to the
Airport of Thessaloniki "Makedonia" (SKG)

Following the notification of the justified proposal for specific changes on the charges of the Thessaloniki Airport "Makedonia" (SKG), as such were determined pursuant to the decision dated November 30, 2016, and following the conduction of the consultation session of December 12, 2018 pursuant to the provisions of the Presidential Decree 52/2012 and

(a) on the basis of the exchange of views with all involved parties, the provision of clarifications and answers to the relevant queries of the Users during the whole consultation process with regard to the changes at the level of airport charges as well as on the basis of the needs for readjustment of the charges according to the operational conditions of the airport, following the takeover of the management of the Airport by the company, and the relevant needs for recovery of cost, as such needs have been presented in the aforementioned consultation session;

(b) according to the the Concession Agreement, dated 14.12.2015 for the Upgrade, Maintenance, Management and Operation of Cretan, Continental Greece and Ionian Sea Regional Airports, and in particular article 28 (Airport Charges) και the Annex 7 (Airport Charges) thereof, (henceforth "the Concession Agreement"), which has been ratified by law 4389/2016 and

(c) pursuant to the presidential decree 52/2012 (Government Gazette A 102/27.04.2012) that has incorporated in Greek law the Directive 2009/12/EC of the European Parliament and of the Council, dated March 11, 2009 re Airport Charges, which in its article 6 provides for the right to appeal within the deadline set therein, the changes on the Charges of the Airport, which shall enter into force from April 1st, 2019, are as follows:

Note 1:

Aircraft using the airport for non-commercial purpose and owned or used by or on behalf of the State, the military, the police, customs or any other agency of the State or any other State (not including state-owned or part-owned commercial aircraft operators), the North Atlantic Treaty Organization, the United Nations, the Red Cross or the Red Crescent shall be exempt from Aeronautical Charges.

Note 2:

Domestic operations may be subject to VAT

Note 3:

"Per ton for every 24 hours": For parking time that exceeds one day, the last day will always be charged in full.

Note 4:

The first 24 hours are charged with the lowest price (5 € per ton) and each day from this point will be charged with the higher one (10 € per ton)

Note 5:

The PRM charge refers to the recoverable part of the PRM cost (airside cost).

Note 6:

For information regarding the exempt categories of the ADF, you can contact Hellenic Civil Aviation Authority. (<http://www.ypa.gr/en/>)
