

Date: 31 January 2022

Decision relating to the determination of Charges in relation to the
Airport of Thessaloniki "Makedonia"

Following the notification of the justified proposal for specific changes on the charges of the Airport of Thessaloniki "Makedonia" (SKG), as such were determined pursuant to the decision dated 29th January 2021, and following the consultation session that took place on 7th December 2021 pursuant to the provisions of the Presidential Decree 52/2012 and

- (a) on the basis of the exchange of views with all involved parties, the provision of clarifications and answers to the relevant queries of the Users during the whole consultation process with regard to the changes of airport charges, the needs for readjustment of the charges according to the operational conditions of the Airport and the relevant needs for recovery of cost, as such needs have been presented in the aforementioned consultation session, as well as of the non-raising of specific objections as to the level of the Airport charges;
- (b) according to the provisions of the Concession Agreement, dated 14.12.2015 for the Upgrade, Maintenance, Management and Operation of Aegean Regional Airports (henceforth "**the Concession Agreement**"), which has been ratified by law 4389/2016, and specifically article 28 (Airport Charges) και Annex 7 (Airport Charges) thereof; and
- (c) pursuant to the respective legislation and especially the Presidential Decree 52/2012 (Government Gazette A 102/27.04.2012) that has incorporated in Greek law the Directive 2009/12/EC of the European Parliament and of the Council, dated March 11, 2009 re Airport Charges, which in its article 6 provides for the right to appeal within the deadline set therein,

the changes on the Charges of the Airport, that shall enter into force from 1st April 2022 are as follows:
